

For the big foot

Regardless of the size or gender of your footprint, these items will be great for your sole.

① TOMS Shoes

In so many colours and patterns and really comfortable. Plus, for every pair you purchase, a pair of shoes is given to a child in need. One for One.

\$42.00 - \$65.00 at [Canopy Blue](#)

② Pozu Shoe Cream

Apart from cleaning and polishing shoes, it's a delicious 'all-in-one' beauty product, which can be used as a lip balm, skin moisturizer, hair conditioner, massage oil and even as an alternative cooking oil. You can even spread it on your toast! Seriously.

③ Urban Spa Volcanic Pumice Stone

Formed from cooled lava, pumice is recognized as a natural exfoliator. Keep it in the shower to use on damp feet to help smooth away any rough or hard spots.

\$2.99 at [www.well.ca](#)

④ Swamisz

Made with natural rubber, this unique, yogi-inspired footwear with a toe plug and a support strap allows you to walk relaxed and flip-flop free! You will be enlightened just by wearing these!

\$39.00 at [Ecoexistence](#)

⑤ FemMed Bone Health

Your body is supported by your feet - with the 10 high quality ingredients in this bottle alone, you can happily take care of your bones, cartilage and joints!

\$29.95 at [www.femmed.com](#)

⑥ Butter London '3 Free' nail lacquers

Formaldehyde, toluene, and DBP (phthalate) free which means it's less like wearing automotive paint. Really. They have an un-rivalled colour palette, are non-toxic, long lasting, high lustre and quick drying.

\$14.00 at [Pistachio](#)

⑦ Aqua by VivoBarefoot

All the protection of normal shoes and health benefits of going barefoot. Just by wearing, you'll strengthen the muscles in your feet, realign your posture, stimulate sensory perception and get compliments.
